We have just harvested our crops of bulbs, and believe that they are the nicest, cleanest bulbs we have ever grown. Our prices this year are lower than they have been for several years, in spite of the fact that they are hand-dug, hand-cleaned, and graded, and are not mutilated or bruised by machinery. Our stock is guaranteed true to name and free from disease and thrip. Full size and count, hand-graded and selected. No other guarantee is given. Our price is your chance to "cash in" without sacrificing quality.

Prices are quoted F. O. B. St. Anne, Illinois. Cash with order, or 25 per cent deposit will hold bulbs until shipment is wanted, providing it does not exceed May 1st, unless other provisions are made. Field and storage are State Inspected. Each and every order is inspected by a certified State Inspector before leaving our warehouse—this is your protection. A direction sheet showing bulb treatments, giving solutions, etc., and cultural directions will be included in each order.

These prices are subject to change and all bulbs offered are subject to prior sale. As for shipment, do not advise any freight shipments, due to poor service, and possibility of frost damage.

Introducing...

...the new owner of the Quality Gladiolus Gardens, Mr. Chester Sirois. After 25 years of continuous good service in the growing and shipping of fine bulbs and cut flowers, Mr. Edwin Sirois announces that his son will carry on in his place.

For the past seven years, young Mr. Sirois has managed the complete growing and sales operations and is well qualified to offer you the same outstanding bulbs and splendid service that you have enjoyed in dealing with us this past generation.

Our name . . . Quality Gladiolus Gardens . . . remains the same and speaks for itself. Our business methods also will remain the same except where a change will bring better bulbs or better service to you.
